HangUp®

1200 Watt Hair Dryer

Applies to U.S. Models Only

Wall Mounted Hair Dryer

Andis, the leading manufacturer of hair styling appliances since 1922 is the standard of quality among professional hairstylists. The reason is, simply, **the durability**. Andis offers the **same high quality** features in the HangUp Dryer that it builds into **all** the products it makes.

Dryer holder easily mounts on bathroom wall for convenient dryer storage. Supplied with screws and adhesive tape for quick, easy mounting; it can also be mounted to tile or mirror. When dryer is removed from wall holder, it automatically turns on; when it is returned to its holder, dryer shuts off.

- 1200 watts of turbo dryer power
- Two position switch
- Features long life motor
- Great for family use
- Wall mounted dryer for easy storage
- Mica heating element
- Two heat settings, two air speeds
- Heavy duty coiled cord
- Instant on/off
